

Supply Chains - Good, Bad or Ugly

Wednesday 9th June at The Holiday Inn, Filton, Bristol

Transform your Supply Chain from cost centre to competitive advantage

Are you constantly seeking new ways to reduce costs and improve the effectiveness of your supply chain(s)?

We at MÖBIUS are finding that more and more companies are turning to their Supply Chain(s) as areas for possible improvement, especially during the current economic climate.

Strong feedback from clients indicates that the focus of seminars and discussions should be on Cost Reductions in the Supply Chain which is why we are inviting you to a complimentary morning seminar which will concentrate on this vitally important aspect of Supply Chain Management.

Why should you attend?

- Our seminars provide the ideal platform to share experience and best practice with other senior professionals;
- Focused discussions addressing the current challenges;
- The opportunity to hear about MÖBIUS' state of the art techniques for inventory optimisation, demand management and forecasting improvements.

Programme:

> 09.00 – 09.30	Arrival & Registration	> 10.45	Break
> 09.30	Supply Chain Strategy	> 11.00	Inventory Optimisation
